## Notes from the CEO Scott Rains

**F**irst quarter was a great start to our milestone **80<sup>th</sup> Anniversary year** and I'm excited about all we have planned this spring! First is our auto sale which by the time you read this newsletter has passed. This was our fifth year and 10<sup>th</sup> on-site auto sale since we started these in 2011. They have been very popular with over 250 vehicles purchased by existing members, family members, and many new members from the area. Thank you to all of you who have attended these sales in the past. Although we would love to continue these at our existing location, we do have some important news to share about our Lake Forest headquarters building and branch. After a lot of consideration, review and approval by our Board of Directors, we accepted an offer to purchase the Lake Forest building and are currently in escrow. We have not confirmed our new location yet, but we do know that our Lake Forest Branch and headquarters will both stay in Lake Forest, but will be two separate locations. Lake Forest has been Eagle's home and headquarters for over 20 years and we love the area, the people and our members. The city is great to work with and we can't imagine leaving. We are hoping to move in the fourth quarter of 2017. I will definitely keep you apprised in subsequent Soaring newsletters, as well as emails or mailers in the meantime.

Eagle is once again a lead bag sponsor for the NALC's 25<sup>th</sup> Anniversary **Stamp Out Hunger Food Drive** on Saturday,

May 13. This is the ninth year Eagle has supported this cause, and we are very proud to continue to do so. We are joined this year by several other bag sponsors who helped us purchase **1 million paper bags** to be distributed to Orange County households. As we've seen in years past, more bags means more food donations to the food banks in our region during the summer when their supply is the lowest and demand from residents is the highest. Our Eagle team members will once again volunteer at local post offices on that Saturday to collect and sort all of the food brought in by postal employees. Thank you to all of our postal carrier members who work hard that day to collect the donations. We know the day means extra shifts, longer days and a lot more work, so we appreciate all you do for the food drive! I'll be out there on Saturday at my local Tustin Post Office so please stop by and say hello!

I also want to share about a new partnership we recently formed with **Costco Auto Program**. This is an exciting new program offering our members great savings on both new and pre-owned vehicles from local participating dealers. And if you're not yet a Costco member, Eagle will cover your first year membership when you purchase through the program. Check out our website for more details.

Our Annual Meeting is on April 26<sup>th</sup>. It is a good but quick overview of how we've done the past year. You will also get to meet Eagle's Board of Directors, Supervisory Committee, and our Management team. Come join us for light refreshments and learn more about what it means to be a member-owner of your Credit Union. I hope to see you there!
