Notes from  
the CEO  
Scott Rains

Things have been very busy at Eagle as we make progress on a few large and exciting projects. The first and most noticeable is the updated look of our website, [www.eaglecu.org](http://www.eaglecu.org). In addition to the refreshed look, it features the latest responsive technology to adapt to whatever screen you're viewing it on, and the content has been optimized to find things faster with fewer clicks. We are still working on additional features to add to the site like more online applications and forms. Then a project that will further enhance your member experience is an **upgrade to our Online Banking and Mobile App** which is planned for early 2018.

Another exciting update is that we have signed a lease on our **new Lake Forest Branch!** The branch is exactly 1.2 miles down the road from our current branch at **24336 Rockfield Blvd.**, in the southeast corner of El Toro Road and Rockfield Blvd., next to Café Rio and CVS. The branch will feature new cash machines and a walk-up ATM. Construction will start soon and we plan to open in September. We will share updates as things progress and the date gets closer. We also have one last **Pre-Owned Auto Sale planned the weekend of October 14 & 15** before we completely move out of our current Lake Forest building. Save the date and be sure not to miss our last auto sale at this location!

Eagle just recently introduced a new **Mobile Home Loan**. We are offering both purchase and refinance loan solutions

on mobile homes to members and potential members. Please contact us if you are a current mobile home owner or looking to purchase one soon.

While all of that is in the works, we've still found time to serve our community. For the 9<sup>th</sup> year, Eagle was the district's main bag sponsor for the NALC's 25<sup>th</sup> Anniversary Stamp Out Hunger Food Drive. On May 13 we had over 40 employees, friends and families stationed at 4 local post offices to collect, sort and distribute food to local food banks. The bags once again proved their purpose as the district brought in even more food this year. Thank you to everyone who donated! We are proud to continue to support the NALC and our postal roots.

We have also started fundraising for the **2017 CHOC Walk** that is on **Sunday, August 27<sup>th</sup>**, at Disneyland. Eagle employees will walk as a team and join with other local Credit Unions to raise money for Children's Hospital of Orange County. Eagle's goal is to exceed our \$12,000 raised last year, and as credit unions to raise over \$220,000 together for CHOC! We invite you to walk with us, donate to our team, or just follow our fundraising efforts.

To get our most current updates, please **follow Eagle on Facebook and Twitter**. We post daily, and share our photos, promotions and upcoming events. We also plan to share the progress of our new Lake Forest Branch along the way as well. So follow us there to be the first to know!

Thank you for your ongoing support and membership.

Send Scott Rains Eagle Community CU's CEO, an email and talk to him personally.

Our Lake Forest Branch is  
**MOVING!**

Our Lake Forest Branch will relocate exactly 1.2 miles away to **24336 Rockfield Blvd, Lake Forest, CA 92630** in September 2017.

If you live in the area or use this branch, we will send you direct updates with dates as the move gets closer. You may also follow the progress of our new branch on [www.eaglecu.org](http://www.eaglecu.org), **Facebook and Twitter**.
